

Help us save lives around Britain's coastline

**FOR AN ANNUAL SUBSCRIPTION OF £28,
YOU CAN JOIN THE NCI AS AN ASSOCIATE MEMBER
AND SUPPORT THE VITAL WORK WE DO**

National Coastwatch was set up in 1994 to restore a visual watch along the coast after many Coastguard stations were closed. Today National Coastwatch operates stations around the coast manned by some 2,000 trained volunteers at no cost to the public purse.

Our mission is to assist in saving lives at sea and along the UK coastline. Every year we are involved in hundreds of incidents. We report directly to the emergency services and are part of the national Search and Rescue organisation.

We are dependent on your support to cover our running costs, training and to develop new stations.

To join the NCI as an Associate Member, please complete the application form overleaf or go to www.nci.org.uk.

On joining as an NCI Associate Member, you will receive a Welcome Pack telling you more about NCI, including contact details for all our stations where you will be given a special welcome. You will also receive news of NCI through our quarterly magazine, Watchkeeper, keeping you up to date with the latest events, progress and new station developments*.
