

Wooltack Point 50/50 Club Rules

The 50/50 club is designed to raise money for the NCI Wooltack Point Station and at the same time give each ticket holder a chance to win one of three prizes awarded in a draw made at the end of every second month during the draw period.

There will be three prizes in each draw as follows: -

1st prize will be 60% of the prize fund

2nd prize will be 25% of the prize fund

3rd prize will be 15% of the prize fund

The prize fund for each draw will be 50% of the value of the total number of tickets sold and valid for that draw, (preferably counted as valid in the month preceding each draw)

The 50/50 club year commences on 1st January each year and runs for a period of 12 months, but it is possible to join at any time during that year, in which case the subscription will be pro rata, i.e., £1 for every month left in that draw year.

*Paying the annual subscription fee of £12 pays for 1 ticket eligible for the 6 draws of that year. The draws are made on:

28th February, 30th April, 31st June, 31st August, 31st October and 31st December of each year.

***There is no limit to the number of tickets anyone can hold or sell - we are still suffering from the results of the Covid Pandemic and as things get back to normal, we will be very low on the list of people's charity giving.**

So please will you all consider maybe increasing your personal ticket holding - don't be shy about tackling friends, family and even acquaintances to sell them tickets - if you think it's a good cause then they probably will as well!

In the present circumstances it may be difficult to take money in cash or cheque form -so we would prefer any remittances to be by bank transfer and hopefully with an annual standing order (form available on the website). Should you choose this payment method simply instruct your Bank to make the regular payment annually on the 1st of January.

Please send your payment instruction direct to your bank - using your name and initials as the payment reference - If you do so, please make sure that you inform our promoter by e-mail what you have done (i.e., either standing order or transfer so we know what to look for in our bank account).

On receipt of your application form and remittance you will be allocated a draw number for all draws. We will let you know your draw number by either e-mail, or phone dependent on the information you have given us.

The winning numbers and prize amount will be posted on the station Facebook page and website. The winners will also be notified in writing and asked for details of where to pay the winnings.
